

Central Oregon Area Council Charter

Purpose

The Central Oregon Area Council is a network of contractors and industry associates in Crook, Deschutes, and Jefferson counties. The council was formed to better connect the region's contractors with the benefits of AGC membership and to create opportunities for interaction among the area's members.

Committee Leadership

The chair and vice chair serve as long as they are willing. They are replaced with suggestions from the outgoing chair and AGC staff, and terms are reviewed every two years.

Committee Leadership Chair: Gary North, R & H Construction, Inc. Vice Chair: Nathan Kranyak, Knife River	Staff Liaison Kari Schoonover, Member Engagement Manager karis@agc-oregon.org 971-412-5312
Meeting Frequency 2–3 times per year	How to Get Involved Open to all Central Oregon chapter members

Objectives

- Sponsor activities and meetings to enhance member participation and promote membership benefits to prospective member companies.
- Conduct regular meetings focusing on topics of local interest:
 - Meetings focusing on workforce, safety, and legislative efforts
 - Group activity or networking event
 - Provide a forum for local members to connect with AGC leadership staff and other contractors in their region
